

Wynncrest
Homeowners Association

City & Village has a new portal for residents called **WebAxis.**

You can use this portal to:

- Access your account,
- Make online payments,
- Update your directory information*, and
- View HOA governing documents.

You can access the portal through the City & Village website at www.cityandvillage.com

Or you can visit cityandvillage.cincwebaxis.com directly

Or you can scan the QR Code.

Detailed information from C&V on accessing the portal is posted on our website wynncresthoa.com

When you register, please note 2 out of 3 identifiers (name, address, and account number) need to match to what is on the homeowner assessment bill.

EX: If a homeowner's first name on their assessment bill is listed as William, it cannot be entered as Bill/Will. All fields marked with '' are required entries.*

*The membership/directory lists are available to all homeowners, so if you do not wish to be listed, be sure to opt out.

You can also find
City & Village in the app store.
